WORK EXPERIENCE

Apr 2023 to Present

Software Engineer at Merkat Intellekt Technologies Pvt ltd

Overall,my experience as a Software Engineer at Merkat Intellekt Technology Pvt Ltd Company, I contributed to various projects and gained valuable experience in software development and team collaboration.
Overall, my experience as a software engineer provided me with a solid foundation in software development principles, effective teamwork, and problem-solving. I am eager to leverage my skills and continue growing as a software engineer in a dynamic and innovative environment.

PROJECTS

Virtual Mouse Using Hand Guestuer

The system will allow the user to navigate the computer cursor using their hand bearing color caps or tapes and left click and dragging will be performed using different hand gestures. The hand gesture is the most effortless and natural way of communication. The output of the camera will be displayed on the monitor.
